

SCHOOL PROFILE

Whitehorse Middle

Address: 218 Schenk St | **Phone:** 608-204-4480 | **E-mail:** whitehorse@madison.k12.wi.us

At Whitehorse, we are committed to exemplifying perseverance, authenticity, and equity so that all students, families, and staff share a sense of belonging and so that students will be prepared to graduate ready for college, careers, and the community. We model perseverance by setting high expectations and learning from our mistakes; we model authenticity by expressing empathy, sincerity, and validation; we strive to create equitable conditions by listening to others actively and believing that every student is capable of learning. We invite families to join staff as we work together to foster these values in our students so that they may grow to be reflective leaders in our community and world.

School Principal: Christina Nataello

Equity Vision

At Whitehorse, we are committed to exemplifying perseverance, authenticity, and equity so that all students, families, and staff share a sense of belonging and so that students will be prepared to graduate ready for college, careers, and the community.

Strengths

Every teacher is committed to ensuring the high quality of education for all students. We believe educating young people is a collaborative effort. Due to our highly effective teacher teams, we have seen steady growth in our math scores. We value and celebrate diverse student voices and create opportunities for student leadership. We pride ourselves on providing multiple scaffolds to support students in their academic and social-emotional growth. We are also proud to provide a plethora of after-school clubs for students to explore their personal interests.

Progress

With an intense focus on partnering with families, during the 16-17 school year we created Connecting Whitehorse Families to foster family involvement within our school community. We also sponsored numerous events focused on parent partnerships to ensure student success such as our Family Heritage Night, Academic Expo, Annual Talent Show, and Family Tech Launch. We will continue to focus on making learning at Whitehorse culturally and linguistically relevant for all students and families.

Area for Growth

We will maintain a tight focus on reading standards across all subject areas in order to increase the number of our students who can read at or above grade-level. Our re-vamping of structures to support

Academic and Career Planning, as well as Advisory, will promote growth in social-emotional learning, as well as transform all classrooms into welcoming, restorative environments.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
